*Allowable Subject Matter*

This communication is in response to applicant's Amendment which filed March 2, 2007 in the application of Ikehara et al. for an "Input device to continuously detect biometrics" filed September 12, 2003.

The amendment has been entered and made of record.

Claims 1-13 are allowed as evident by applicant's amendment.

According to claims 1-13, the following is a statement of reasons for the indication of allowable subject matter: the prior art fail to suggest limitations that "a continuous authentication module for continuously verifying that the identify of a user is authorized, algorithmically connected to said registration module".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferable accompany the issue fee. Such submission should be clearly labeled "Comments on Statement of Reasons for Allowance."
